SUBJECT: **MAY 14, 2009 MEETING MATERIALS**

The next meeting of the Housing Advisory Committee (HAC) is scheduled for Thursday, May 14, 2009. The enclosed meeting agenda provides details about the meeting and the location at the Kenneth Hahn Hall of Administration (KHHA), in room 864.

At this meeting, we will continue our discussion on inclusionary housing as an affordable housing policy tool. The staff will provide an overview of the draft content of the report to explore the feasibility of applying such a policy to the unincorporated areas, and a status update on stakeholder outreach efforts. The input received from the meeting, and from future outreach efforts, will be incorporated into a report to the Board of Supervisors on the applicability of an inclusionary housing policy in the unincorporated areas.

In addition, the Housing Section will provide updates on the Department of Regional Planning's current Housing Element Implementation initiatives.

We are enclosing a copy of the meeting notes from the February 12, 2009 meeting, for your information. Should you have any questions, please contact me at (213) 974-6425. I look forward to seeing you at the May 14th meeting.
